## Moose hunting with the dog

Hunting begins at the end of September and lasts until 31.12. or when all the permissions are used.

Two ways to hunt;

1. Shooting the moose to the dogs barking  
\*Only one person with the guide at the time
2. Staying in line with gun (in pace) with other hunters  
while the guide goes after moose with the dog

**Price 400 €/day/person**(tax 24% inc.)

Bookings 2 months before the happening.

The price includes dinings (one warm meal + coffee/tee and sausages at the campfire), guiding, gunchecking with shooting on the tarket (double checkig the guns functionality and accuracy), questlicense is also included.

Groupsize 1 – 4 persons
